

Submit Your Research to NARIC

Any materials developed under a contract, subcontract or grant from the National Institute for Rehabilitation Research (NIDRR) shall be submitted to the National Rehabilitation Information Center (NARIC), a library and information center designated to collect and disseminate research produced by NIDRR grantees. The material is included in a database developed to provide information about rehabilitation research to NIDRR target audiences and the public.

Types of Materials to Send to NARIC

- Books and Book Chapters
- Journal articles
- Newsletter
- Conference Proceedings Papers
- Manuals, Directories, Training Materials and Guides
- Technical Reports and Studies (Published or Unpublished)
- Annual Reports
- Audio/Visual

How to Send Material to NARIC

Items may be submitted in original or electronic format. Electronic documents may be emailed or mailed on CD. Make sure that your correct project number is printed on the item or is otherwise attached. Please mail paper copies of material to:

Attn: Natalie Collier
NARIC
8400 Corporate Drive, Suite 500
Landover, MD 20785

Send electronic copies via e-mail as a link or an attachment to ncollier@heitechservices.com.

Please complete the Authorization Information Sheet and send it along with your material to the address above. You may also fax the authorization to 301/459-4263.

Distribution Authorization Form

Permission to reproduce this material has been granted to the National Rehabilitation Information Center (NARIC) as designated under U.S. Copyright Laws.
